

# Agricultural Building Exemption Statement

I, \_\_\_\_\_, acknowledge this building will not be inspected by the Gooding County Department of Building Safety for conformity of any building codes. The construction of the building is the liability of the property owner at the time of construction and the building is classified as an agriculture building under the definition within the adopted building code as of this date.

An agriculture building is a structure designed and constructed to store farm implements, hay, grain, poultry, livestock or other horticultural products used exclusively for agriculture. The structure shall not be a place of human habitation or a place of employment where agricultural products are processed, treated or packaged, nor shall it be a place used by the public.

Gooding County Planning and Zoning has approved the agriculture siting zoning permit for the following building as agricultural exempt:

Description of building: \_\_\_\_\_  
Size in square feet: \_\_\_\_\_ Type & Use of building: \_\_\_\_\_  
To be located on Parcel No.: # RP \_\_\_\_\_ . # of acres \_\_\_\_\_  
Addressed at approximately: \_\_\_\_\_

Any changes to the use of the building that are not consistent with the definition of an agriculture building will be a violation of the Gooding County Ordinance.

I hereby certify that the Zoning Siting Permit is true and correct.
