"2019 Wilderness Circuit Rodeo of the Year"

Attention Vendors:

There is a new process this year for completing your Idaho Sales Tax Declaration for the Gooding County Fair. All vendors must complete these steps, even if you are not making taxable sales or if you have a regular seller's permit.

1. Go to tax.idaho.gov/GoToTAP and under "Other Services" click "Temporary Sellers and Promoters."
2. Choose "Seller" on the next page and then click "Next."
3. Choose "I'm going to an event" at the bottom of the page and then click "Next."
4. On the following page enter the **Event ID: 1800323072** then click "Next."
5. On the next page you enter your seller information, click "Next."
6. On the "Choose Purpose" page, choose your permit type. This is the page where you will be able to enter your seller's permit number if you have one, or receive a temporary seller's permit. If you are not making taxable sales at the fair, this is also the page where you will choose that option. Click "Next."
7. Review your information and click "submit."
8. When you reach the Confirmation page, you will be notified that you've been sent an email with the information needed in order to participate in the Gooding County Fair event, including a form to display.

More information is available at www.tax.idaho.gov/pse1.

If you have any technical difficulties, please contact the Idaho Tax Commission at sas@tax.idaho.gov.

Thank you,

Gooding County Fair
