BALLOT MEASURES

HAGERMAN FIRE PROTECTION DISTRICT

HAGERMAN FIRE PROTECTION DISTRICT TEMPORARY OVERRIDE LEVY

Shall the Board of Commissioners of Hagerman Fire Protection District be authorized to levy a temporary override levy in the amount of \$180,000 per year for a period of two (2) years commencing with tax year 2026 for the fiscal year beginning 2027, for the purpose of defraying personnel costs associated with provisions for licensed services by the Hagerman Fire Protection District, 24 hours a day, 365 days a year, as provided in the resolution of the Hagerman Fire Protection District adopted on February 9, 2026?

The estimated average annual cost to the taxpayer of the proposed levy, based on the data above, is a tax of \$45.20 per \$100,000 of taxable assessed value, based on current conditions.

The proposed levy replaces an existing levy that will expire on September 30, 2026, and that currently costs \$43.47 per \$100,000 of the taxable assessed value. If the proposed levy is approved, the tax per \$100,000 of taxable assessed value is expected to increase by \$1.73. The proposed levy will be assessed over two (2) years.

IN FAVOR of authorizing the levy in the amount of up to \$180,000 per year for 2 years

AGAINST authorizing the levy in the amount of up to \$180,000 per year for 2 years
